We Are Your Partner and  
With You Every Step of the Way

*"I would like to share a quick note regarding the superior service and excellent customer service Alternative Insurance Resources, Inc. has provided the Mobile Airport Authority for the past 19 years. The staff for AIR are knowledgeable, reliable, highly competent, and trustworthy. Unlike other TPA agencies I've worked with, I felt right away that staff members for AIR truly understood where they fit into the broader scope of the Mobile Airport Authority's business needs. I highly recommend AIR's service to other organizations."*
